- **Nationally Ranked Tournaments** – The Junior Tour has increased the number of nationally ranked tournaments on our calendar of events from 5 in 2010 to 10 in 2011. You'll see on the calendar of events that each tournament ranked by the Junior Golf Scoreboard is listed by a number, for example JGS #1, JGS #2, etc. If you turn a scorecard in for each tournament and play every hole of each tournament listed in each Junior Golf Scoreboard event, you will be eligible to be nationally ranked. 1 event is nationally ranked by the American Junior Golf Association which is listed as "AJGA." Our goal is to provide 1 nationally ranked event a week so that all tournaments are convenient and affordable to all of our members.
- **New Girls 13-15/16-18 Tee** – An additional tee will be added to all Philadelphia Junior Tour events with the exception of the Major Championships (Junior PGA Championship, Harry Hammond Invitational, Jon M. Pritsch Cup and Junior Tour Championship). In these events, all will be playing from the same tee. The yardages for each tee will range as follows:

Girls 13-15 Tee: 5,400 - 5,650 yards
Girls 16-18 Tee: 5,900 - 6,150 yards
- **Girls 13-15/16-18 Player of the Year** – With the addition of a new tee at all Philadelphia Junior Tour events, there will be a Player of the Year for the Girls 13-15 & 16-18 Divisions.
- **Spectator Carts Prohibited** – No parent or spectator golf cars will be allowed. Spectators who wish to request relief under Americans with Disabilities Act and seek a reasonable accommodation for their disability shall submit a request form in writing with state authorized handicap number to the Philadelphia Junior Tour office for review. Requests must be submitted 1 week prior to the tournament. No on-site requests for spectator carts will be accommodated. The host course may ban spectator carts at their discretion. The individual must pay any applicable cart fees. Doctor notes will not be accepted. Once approved for a spectator cart, no further submissions for a spectator cart will be necessary.

Dear Philadelphia Section PGA Junior Tour Member,

Welcome to the 2011 Philadelphia Section PGA Junior Tour season sponsored by The Graham Company.

We do this to keep your business growing and your employees safe.

At The Graham Company, we believe Actions Matter. So we are changing insurance and employee benefits brokerage from a passive to an active vocation.

Philadelphia Junior Tour

The Philadelphia Section PGA will conduct over 100 junior events this year. This includes the Philadelphia Junior Tour, the Developmental Tour and the Girls Golf Tour.

In 2010, the Junior Tour continued to make a name for junior golf in the Philadelphia Section PGA. With more than 55 Junior Tour events last year, the Junior Tour provides playing opportunities on many types of courses and allows our members to experience a variety of playing conditions and course designs. We hope you will take full advantage of the opportunities that the Junior Tour has to offer.

2011 PHILLY JUNIOR TOUR RULES

Harry Hammond Invitational

In 2002, the Junior Tour started the Harry Hammond Invitational for players 16 - 18 that were medalists or runner-ups on the Philadelphia Junior Tour within the last 2 years. For 29 years, Harry Hammond was Junior Committee Chairman of the Philadelphia Section PGA and a Master Professional that is also involved in junior golf at the local and national level. Again, we will have the invitational on August 5th at Penn Oaks Golf Club.

Jon M. Pritsch Cup

The Jon M. Pritsch Cup was a first for the Philadelphia Junior Tour in 2007 which consists of Ryder Cup style match play events between the top Boys and Girls from the Philadelphia Section PGA and the New Jersey Section PGA. Unfortunately, the Philadelphia Junior Tour was on the losing end the last four years of the matches, but expectations are high in 2011 when the Philadelphia Section PGA will be hosting the matches at Philadelphia Country Club on Friday, August 19th.

Junior Team Matches

In 2009, the Philadelphia Section PGA began the Junior Team Matches which were originally inspired by the Golf Association of Philadelphia's GAP Matches. Each team consists of 8 juniors that are from the same facility who compete against opposing teams within the Section boundaries, playing Singles and Four-Ball matches. The team that is most successful in their matches will have the opportunity to compete against other winning teams to determine the overall Champion of the Junior Team Matches.

Please review the Junior Tour Rules & Regulations as well as the Code of Conduct. I cannot stress enough the importance of being familiar with the USGA's Rules of Golf and our Philadelphia Junior Tour rules in tournament competition. The Philadelphia Section PGA must receive a signed copy of the Parental Consent Form before any of your Junior Tour Tournament Entries can be processed.

Enjoy the 2011 Philadelphia Section PGA Junior Tour season. If you have any questions or comments, please feel free to contact Elise or Brian at the Philadelphia Section PGA office at (215) 886-7742.

Sincerely,

Elise Kain
Operations Coordinator

Brian A. Schulte, PGA
Junior Golf Director

The following rules will be followed at every Philadelphia Section PGA Junior Tour event. These rules are in addition to the 2010-2011 Rules of Golf of the United States Golf Association.

Distance Measuring Devices

For all play, a player may obtain distance information by using a device that measures distance only. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g. gradient, wind speed, temperature, etc.) the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used.

Specifications of Club and the Ball

The following conditions are recommended only for competitions involving expert players:

A. **List of Conforming Driver Heads** – Any driver the player carries must have a clubhead, identified by model and loft, which is named on the current list of conforming Driver Heads issued by the USGA.

B. **List of Conforming Golf Balls** – The ball the player plays must be named on the current list of Conforming Golf Balls issued by the USGA.

C. **One Ball Condition** – The one ball condition is not in effect for any event on the Philadelphia Junior Tour

Practice

Before a round or playoff on any day of a stroke play competition, a competitor must not practice on the competition course or test the surface of any putting green on the course by rolling a ball or roughening or scraping the surface.

When two or more rounds of a stroke-play competition are to be played over consecutive days, a competitor must not practice between those rounds on any competition course remaining to be played, or test the surface of any putting green on the course by rolling a ball or roughening or scraping the surface.

Prior to his round in stroke play, a player may practice on the designated practice areas. Rule 7-1b applies to other practice in stroke play.

Practice Between Holes (Note 2 to Rule 7 applies).

Caddie (Note to Rule 6-4)

A player is prohibited from having anyone serve as his/her caddie during the stipulated round.

Time of Starting and Groups (USGA Rule 6-3)

A. Starting Times

The player must start at the time established by the Committee.

B. Groups

In Stroke Play, the competitor must remain throughout the round in the group arranged by the Committee unless the Committee authorizes or ratifies a change.

PENALTY FOR BREACH OF RULE 6-3: Disqualification

Note: The Committee may provide in the conditions of a competition (Rule 33-1) that, if the player arrives at his starting point, ready to play, within five minutes after his starting time, in the absence of circumstances that warrant waiving the penalty of disqualification as provided in Rule 33-7, the penalty for failure to start on time is loss of the first hole in match play or two strokes at the first hole in stroke play instead of disqualification.

Undue Delay; Slow Play (USGA Rule 6-7)

Pace of Play Policy

The Philadelphia Junior Tour will designate a minimum of 6 holes on the course as timing checkpoints (Traditionally holes 3, 6, 9, 12, 15, and 18). A Rules Official will be stationed at each timing checkpoint and will inform each group their position and time on the golf course if they are out of position and behind time. Penalties may be given by a Rules Official and will be confirmed with groups by the Tournament Director and verified in the scoring area after the completion of their round.

Time Par

Time par is the amount of time in which the Philadelphia Junior Tour expects all players to complete a round. This will be expressed on a per hole basis and an overall time for 18 holes which are as follows:

Per Hole Basis (Traditional time per hole)

Par 3 – 13 Minutes
Par 4 – 15 Minutes
Par 5 – 17 Minutes

Per Round Basis (Traditional time per round)

Par 70 – 4 hours 26 minutes
Par 71 – 4 hours 28 minutes
Par 72 – 4 hours 30 minutes
Par 73 – 4 hours 32 minutes

- A group's time begins when a member of the group has played his/her 1st stroke from his/her starting teeing ground.
- Checkpoint times are measured when the flagstick is replaced in the hole after all players in the group have holed out.
- The Philadelphia Junior Tour may adjust time par during and between tournament rounds based on average group times.

Out of Position

Out of position is the failure to complete the hole being played before the group immediately ahead has completed the hole which follows the timing checkpoint.

- When a checkpoint hole precedes a par 4, failure to complete the checkpoint hole before the group immediately ahead has placed the flag in the hole and completed the par 4.
- When a checkpoint hole precedes a par 5, failure to complete the checkpoint hole before the group immediately ahead has made a stroke from the putting green.
- When a checkpoint hole precedes a par 3, failure to complete the checkpoint hole before the group immediately ahead has finished the par 3 and teed off on the next tee.

The first group of the day is judged only against time par.

Bad Times

A bad time occurs when a player has taken an excess of 45 seconds to play a shot once it is his turn to play and there are no distractions. Players will be notified of the number of bad times they have committed at each checkpoint.

Penalties

A 1-stroke penalty may be added to each member in the group if the group receives back-to-back notifications at checkpoints about being out of position and behind time par. A penalty will only be added to a group if they do not improve their position on the course or time par after their first bad checkpoint. Any subsequent checkpoint after the group's first bad checkpoint where they do not improve their position on the course or time par relative to the first bad checkpoint is the same as receiving back-to-back notifications about position and time par resulting in a 1-stroke penalty. The 1-stroke penalty may be assessed to a player in the group if that player has multiple bad times (minimum of three).

If a player records 5 bad times during the round, they will receive a 1-stroke penalty. The player will receive 2 penalty strokes if they record 2 or more additional bad times.

A penalty stroke is added to where the infraction has occurred. Penalties are never definite and will be confirmed with the group by the Tournament Director and verified in the scoring area.

Rescinding a Penalty Stroke

A penalty can be rescinded in 3 ways:

- 1) Group is in position with group immediately ahead of them through any following checkpoints
- 2) Group is on or below time par through any following checkpoints
- 3) Group gains at least one minute on time par through next checkpoint and continues to improve time par and position on the course through the remaining checkpoints

Factors in Determining Time Par

- Difficulty and length of course
- Walks between holes
- Conditions of Competition
- Pace of Play history for course

Pace of Play Tips

- If your ball might be out of bounds or lost outside of a water hazard, play a provisional ball (Rule 27-2)
- If a situation arises and you do not know how to proceed, play a second ball under Rule 3-3. You must report all facts to a Rules Official afterwards regardless of score

- Place golf bag off the putting green in a direction that is on the way to the next tee.
- Anyone can search for a lost ball. Parents and spectators are encouraged to follow 1 shot ahead to spot for errant shots
- Identify your golf ball and show to fellow competitors
- Get your yardage before it is your turn to play
- Read your putt before it is your turn to play
- Be aware of who is away. If you are not sure, ask
- Recognize when someone will need the flag tended or your ball marked
- Get to your next shot without delay. It is more important what you do between shots than during
- If a ball is not found after a brief search the fellow competitors should go forward and play their shots to the green and let the player and spectators continue the search
- Know where your group is in relation to the group in front of you
- Take the appropriate amount of clubs for your shots around the green

Please refer to an example of a Pace of Play Schedule on page 31.

Suspension of Play Due to a Dangerous Situation

When play is suspended by the Committee for a dangerous situation, if the players in a match or group are between the play of 2 holes, they must not resume play until the Committee has ordered a resumption of play. If they are in the process of playing a hole, they must discontinue play immediately and not resume play until the Committee has ordered a resumption of play. If a player fails to discontinue play immediately, he is disqualified, unless circumstances warrant waiving the penalty as provided in Rule 33-7.

Discontinue Play Immediately: One prolonged note of siren.

Discontinue Play: Three consecutive notes of siren, repeated.

Resume Play: Two short notes of siren, repeated.

Note: All practice areas shall be closed during a suspension for a dangerous situation until the Rules Committee has declared the area safe for play. Players who disregard such closing shall be subject to disciplinary action.

Transportation

Players must not ride on any form of transportation during a stipulated round unless authorized by the Committee. Juniors are prohibited from standing on the back of any golf cart while in motion.

Scoring Area

The scoring area may include, but is not limited to restaurants, tents or rooms and is defined by blue tape. A player's scorecard has been returned to the Committee when the player has left the defined scoring area with both feet.

How to Decide Ties (Appendix 1, 11)

Rule 33-6 empowers the *Committee* to determine how and when a halved match or a stroke play tie is decided. The decision should be published in advance.

The USGA recommends:

Match Play

A match that ends all square should be played off hole by hole until one side wins a hole. The play-off should start on the hole where the match began. In a handicap match, handicap strokes should be allowed as in the prescribed round. For the Jon M. Pritsch Cup, a tie is an acceptable result.

Stroke Play

(a) In the event of a tie in a scratch stroke-play competition, a play off is recommended. The play-off may be over 18 holes or a smaller number of holes as specified by the *Committee*. If that is not feasible or there is still a tie, a sudden death hole-by-hole play-off is recommended (Junior Tour Championship, Junior PGA Championship, Harry Hammond Invitational and overall Series Events).

(c) In either a scratch or handicap stroke-play competition, if a play-off of any type is not feasible, matching score cards is recommended. The method of matching cards should be announced in advance. An acceptable method of matching cards is to determine the winner on the basis of the best score for the last nine holes. If the tying players have the same score for the last nine, determine the winner on the basis of the last six holes, last three holes, the 18th hole, and then the 1st hole moving forward (All other Junior Tour Events) until the winner is determined.

Prizes will be awarded in 1st, 2nd, and 3rd Places in each of age division.

The Graham Co. Player of the Year

The Graham Company, title sponsor of the Philadelphia Junior Tour, will sponsor an award to honor the Players of the Year. The award will be given to the Boy and Girl with the most points at the end of the season. Player of the Year points will not be honored at the Harry Hammond Invitational and Jon M. Pritsch Cup. Every event succeeding the Junior Tour Championship will count towards the 2012 Player of the Year points list.

Player of the Year Points System

Player of the Year Points are weighted more heavily by the significance of the tournament and the size of the field. The tournament order of significance is as follows:

- 1) Junior Tour Championship
- 2) Junior PGA Championship
- 3) 3 Day Nationally Ranked Events
- 4) 2 Day Nationally Ranked Events
- 5) Field size (41-50, 31-40, 21-30, 11-20, 5-10, 2-4)

Please refer to pages 27 - 30 for distribution of Player of the Year Points.

- Points are distributed between the Boys 16-18, Boys 13-15, Girls 16-18, Girls 13-15 and 9 Hole Divisions by order of score.
- For Player of the Year points to be awarded within your respective Boys, Girls and 9 Hole divisions, at least 2 juniors must participate. The more overall Boys, Girls or 9 Holers that play within your respective division, the more points will be awarded for that event.
- Each individual event that makes up a series event is awarded points just like it is an 18-hole event during the season. To be eligible for series points, you must complete every hole in the series and turn in a scorecard for each tournament. If a junior participates in all events in a series, he/she will be eligible for points in each individual tournament that make up the series and the overall series too.
- Juniors who win more than once on the Philadelphia Junior Tour will earn an additional 100 bonus points for each additional victory.
- The top leaders of the Sam Penecale Scoring Average list will earn additional points for their position on the list at the end of the season.

Sam Penecale Award

In memory of Sam Penecale, long-time head professional at Whitemarsh Valley Country Club, this award will be given to the Boy and Girl who have the lowest scoring average throughout the season. A minimum of 5 events will be

Before the national title can take place, 41 Sections send 1 Boy and 1 Girl champion from their Section Championship. The Philadelphia Section PGA will have 3 regional qualifiers (The Peninsula G & CC, Avalon GC, and Lebanon CC) where 1/3 of the Boys 13-18 and 9 Hole Divisions (Girls are already exempted into the Sectional Championship) from these tournaments will qualify to make up the field for our Section Championship. Invites will be sent out to:

- Our Boy and Girl who represented the Philadelphia Section last year will receive an automatic invite to our Section Championship in 2011.

The invitational began in 2002 by Harry Hammond who was our Junior Golf Committee Chairman for 29 years. Mr. Hammond is a Master Professional of the Professional Golfers' Association of America who has been involved in Junior Golf on the local and national levels. Again, we are looking forward to the Harry Hammond Invitational which will be held on Friday, August 5th at Penn Oaks Golf Club (West Chester, PA).

Jon M. Pritsch Cup

The Jon M. Pritsch Cup began in 2007 and was an instant success. In 2011, the Philadelphia Section PGA will be hosting the match play event at the Philadelphia Country Club (Philadelphia, PA) on Friday, August 19th. To represent the Philadelphia Section PGA at the Jon M. Pritsch Cup is an honor and should be taken seriously. To qualify for a spot on the twelve player roster, one must finish in the top 4 in Player of the Year points in either the Boys 16-18 or Boys 13-15 division or be the top finisher in Player of the Year points in the Girls 16-18 or Girls 13-15 division. The final two remaining spots will be captain picks which is decided by the Junior Golf Staff.

Non-Penetrating Spike Policy

The Philadelphia Junior Tour encourages the use of Non-Metal / Non-Penetrating Spikes to prevent damage to golf courses. Please be aware that most courses have instituted a mandatory Non-Metal / Non-Penetrating Spike Policy and Junior Tour events must adhere to the policies of the individual facilities. In order to comply, players should wear golf shoes with Soft Spikes of the like or other non-penetrating shoes.

Junior Tour Age Divisions

- Juniors must be 18 years of age or younger by June 14, 2011 and have not started college to be eligible for the Junior Tour and will be pitted by their age by the date above in the following divisions:

 - Girls 13-15
 - 9 Holes (Boys 10-12, Girls 10-12)
- Boys & Girls ages 10-12 will play nine holes per event. If a player wishes to play 18 holes, they must, in two Philadelphia Junior Tour events, score a 50 or less for Boys or a 55 or less for Girls in 2 events.

2011 PHILLY JUNIOR TOUR CODE OF CONDUCT

The following code of conduct will be followed throughout the conclusion of 2011 Philadelphia Junior Tour season.

Section 1: Parents / Spectators

Parents and spectators are welcome and are encouraged to attend Philadelphia Junior Tour Events. They are expected to adhere to the following guidelines:

1. Neither spectators nor competitors are allowed to give advice to competitors. “Advice is any counsel or suggestion which could influence a player in determining his play, choice of a club, or the method of making a stroke” (Rule 8, page 36 The Rules of Golf). In addition, any hand signals or conversation between player/spectator may be construed as advice. This includes any conversation between player/spectator in their native language. In either circumstance, penalties for breach of this rule are as follows:

Player - 2 strokes

Spectator:

1st Offense - Warning

2nd Offense - 2 strokes and removal of spectator from that tournament

3rd Offense - Disqualification of competitor and spectator is prohibited from all tournaments

To assist in understanding this definition, here are some examples of giving advice that are violations:

“I think you should hit a 6 iron.”

“Take an unplayable lie.”

“Keep your head down.”

Information on the Rules or on matters of public information, such as the position of hazards or flagsticks is not advice. The following are not examples of giving advice and are acceptable:

“There is the 150 yard marker.”

“My ball is in the hazard – what are my options?”

“The flag is in the back of the green.”

“One of your options is to take an unplayable lie.”

2. Spectators are restricted to cart paths and the rough and must keep at least 50 yards from the players at all times except when searching for a ball.
3. Spectators are encouraged to walk one full shot ahead of their players to serve as spotters, thus speeding up play and preventing lost balls and penalties.
4. Spectators are prohibited to walk down fairways, on tees and greens.
5. Spectators are encouraged to assist in the search for lost golf balls.
6. Spectators are permitted to carry food, beverages, umbrellas, jackets, etc. for the players.
7. Participants in the Junior Tour are expected to conduct themselves properly as guests of the host clubs. Parents and spectators are requested to contact the field staff if they witness any violations. (See Section 2 below).

Section 2: Participants

Part A Cheating

- The USGA Rules of Golf govern all play except as otherwise specified or modified by the Philadelphia Junior Tour.
- Cheating will not be tolerated!
- Players who observe a violation of the Rules of Golf or the Philadelphia Junior Tour Rules are expected to notify fellow competitors within their group, reach an agreement concerning the facts of the incident and then report the incident and the related facts to the Junior Tour Field Staff as soon as possible.
- If the Junior Tour Field Staff observes violations, they will notify the players that they are disqualified from the tournament and that a further review will occur.
- Incidents of cheating will be reviewed by the observing Field Staff, the Junior Golf Director, and the Junior Golf Committee. Depending on the severity of the violation, the *Committee* may assess the following penalties: (1) A written letter of warning and reprimand (2) Disqualification from the next event entered by the player (3) Disqualification for the remainder of the Tour. Disqualified players will not be granted refunds.
- Players who incur penalties (2) or (3) above will be granted an appeal. Requests for appeals must be in writing and must be received at the PGA Section Office within five business days of notification of penalty. A meeting will be scheduled with the players, parents, the *Committee*, and witnesses. Decisions made at this meeting will be final.

Part B Conduct / Etiquette

Please read pages 1 – 4 of the USGA 2010-2011 Rules of Golf.

You must register for all Girls Golf Tour Events in advance online at www.phillyjuniortour.com. Girl's tournaments are open for entry beginning April 1st and close one week prior to tournament date. Tee times will be posted online three days prior to tournament.

Withdraws made one week or more from the tournament date will receive a full refund. However, there will be a charge of \$5 for a processing fee. Full refunds will be given in case of a cancelled event.

You will need your User ID & Password. More detailed instructions about online registration can be found on page 11 of the membership book.

Withdraws

To withdraw from a tournament, please call 610-952-4021 no less than 24 hours prior to tournament and leave a message.

Inclement Weather / Tournament Cancellation Information

In case of inclement weather, we will make a decision two hours prior to the first starting tee time. Please call 610-952-4021 to speak with the tour director. We will not cancel for light rain.

Failure to Show Up for a Tournament

Anyone who has entered a tournament and does not show up without contacting the tournament officials will be warned for a first offense and will forfeit the entry fee. A second offense will result in disqualification from the remainder of the tour and no refunds will be given.

Starting Times

Players should report to the starter 15 minutes prior to tee time. Players who arrive within 5 minutes after their starting time will be assessed a two-stroke penalty. Players who arrive more than 5 minutes after their starting time will be disqualified from the tournament, but will be allowed to play golf that day. (USGA Rule 6-3)

Pace of Play

Rule 6-7 USGA Rules of Golf: "The player shall play without undue delay." Undue delay is having more than one hole open in front of a group. If a group is playing too slowly, it will be warned. If a group does not catch up, each member may be assessed a two stroke penalty. If the group still does not catch up, any and all players may be disqualified from the tournament. It is the entire group's responsibility to keep its place directly behind the group in front of you. Due to varying facility rules and regulations, players must carry their own bag. Pull carts will not be permitted.

Players should practice good habits for speedy play, such as:

Walk quickly to your ball

Be ready when it is your turn to hit.

One practice swing per shot.

Girls Tour Divisions

Div.	Age	# Holes	Course Length	Score Range
I	10 & under	9 holes (Cones)	2,000 yards	55 - 70
II	14 & under	9 holes	2,500 yards	50 - 65
III	14 & under	18 holes	5,200 yards	80 - 110
IV	18 & under	18 holes	5,800 yards	80 - 110

All Girls Tour members will be determined by their ages on June 14, 2011. Girls who wish to play 18 holes must score 55 or less in two Girls Tour events.

Awards and Prizes

Medals will be awarded for 1st, 2nd and 3rd place in each division. Ties will be broken with a match of cards beginning with the last 9 holes, then the last 6, then the last 3, and finally the 18th hole. Players may have 1 hole with 9 strokes or more, however players must X out after 9 strokes on subsequent holes. Scores without "X's" will place ahead of a played out round.

Girls Tour Championship Eligibility

To qualify to play in the Girls Tour Championship, players must have a previous 1st or 2nd place finish or in the top 15 in 2011 points. Interested participants should apply online.

Girls Tour Player of the Year

This award is presented to the Girls Tour Player of the Year. The award will be given to the girl with the most points at the end of each season. Points will be determined using the same system as the Junior Tour. Points will be awarded at all Girls Tour events with weighted points awarded at the Girls Tour Championship and Junior PGA Championship.

Code of Conduct / Spectators

Parents and spectators are welcome and encouraged to attend Girls Tour events. They are expected to adhere to the following guidelines:

1. Neither spectators nor competitors are allowed to give advice to competitors. Information on rules or matters of public information, such as the position of hazards or flagsticks is not advice, and is acceptable.
Penalties for violation by competitor: 2 strokes.
Penalties for violation by spectator 1st offense - warning
2nd offense - 2 strokes & removal of spectator.
2. Spectators are restricted to cart paths and the rough and must keep at least 50 yards from the players at all times, except when searching for a ball.
3. Spectators are encouraged to walk one full shot ahead of their players to serve as spotters, thus speeding up play and preventing lost balls and penalties.
4. Spectators are encouraged to assist in the search of lost balls.
5. Spectators are permitted to carry food, beverages, umbrellas, and jackets for the players.
6. Players and spectators are expected to conduct themselves properly as guests of the host club.
7. All players are expected to maintain and even improve the condition of the golf course by replacing divots, repairing ball marks, raking bunkers, picking up and disposing of trash, etc. Players are asked to fix at least 1 extra ball mark on the green for the good of the golf course.
8. Strollers will not be permitted on the golf course.

Developmental Tour

Developmental Tour members have the opportunity to participate in 10 developmental golf tournaments that consist of 5 and 9 hole divisions where information on the rules of golf and etiquette on the golf course are provided. The Developmental Tour is for junior golfers who are new to golf and are looking to gain tournament experience and learn more about the game of golf to develop themselves into competitors on the Philadelphia Junior Tour

Developmental Tour members may have the opportunity to move up to the 9 Hole Division (Boys & Girls 10-12) if the junior, his/her family, and the Tournament Director feels that the junior member is course ready and that he/she can keep up with the older age division. If that junior member can not keep up in an older age division (ex. pace of play, score, etc.) we politely ask that member to continue to build their skills on the Developmental Tour.
