Philadelphia Junior Tour COVID-19 Statement

Parents & Juniors,

Please see the statement below from Philadelphia PGA Staff regarding COVID-19 (Coronavirus) and the playing of Philadelphia Junior Tour tournaments going forward:

"The Philadelphia PGA staff is closely monitoring all available information related to the continued spread of the coronavirus (COVID-19) from the Centers for Disease Control (CDC) and the World Health Organization (WHO).

The health and safety of our players and families, staff, host golf courses and partners are our top priority. With that in mind the Philadelphia PGA staff has made the decision to suspend tournaments beginning tomorrow, March 14, through Sunday, March 22. Full refunds for those tournament entries will be issued.

We will continue to review our schedule and operations based on CDC and WHO recommendations and communicate timely updates with you. Junior Tour events from March 28 and beyond will remain open for registration and proceed as normal at this time. If there are any changes regarding those events, we will send out communication once we have that information.

At this point, the PPGA staff is currently working remotely. Should you have any questions or concerns, please call us at (267) 622-6170 or by email at info@phillyjuniortour.com"

Thanks,

PJT Task Force
(267) 622-6170
